

HLA

MHAP for Kids'

SCHOOL DISCIPLINE ADVOCACY PROGRAM

- ★ Has your child been suspended or expelled from school?
- ★ Is your child's school threatening to suspend or expel them?
- ★ Do you receive frequent calls to pick up your child from school for "misbehaving"?
- ★ Is your child's school talking about a "Manifestation Determination Review" meeting and you don't know what to do?

Health Law Advocates (HLA) is a non-profit law firm that provides free legal-representation for anyone in Massachusetts who is income eligible and facing barriers to accessing health care. HLA's Mental Health Advocacy Program for Kids (MHAP for Kids) helps families access mental health services for children that may be struggling in school.
